Tribal Health Administration

Planning continues for the Community Needs Assessment for all 8 districts and all Tribal Health Programs are assisting. Tribal Health was also able to purchase gift cards/incentives for future CNA. Collaborating with Smile Network to provide dental services to the McLaughlin and Rock Creek Schools for the month of October. Assisting with building committee for the NEW SD Ambulance Base. Tribal health also started doing weekly staff/director meetings to collaborate so that we may serve the people of SR better.

Environmental Health Program

For the month of August I completed a total of 18 food surveys/inspections. In collaboration with the Great Plains Tribal Leadership Board; Respecting the Circle of Life Training was provided to the Boys and Girls Club of Bear Soldier. A total of 11 youth completed the training and received many great incentives including 11 tablets, hygiene kits, hoodies. An AED machine was also purchased for the Boys and Girls Club of Bear Soldier. Director will be continuing inspections in the Month of September.

Standing Rock Treatment Program

SR Treatment held anger Management classes on August 30 and September 1, 2024 at the Standing Rock Treatment Youth Building and had 3 clients complete the class. We appreciate the 3 client who committed to the two days although it was a holiday weekend. We currently have five clients in inpatient treatment and two in outpatient treatment.

The Peer Support Specialists will be having Rez Recovery events in Wakpala 09/25/24 & Porcupine 09/26/24, the Rez Recovery events are held in the communities to empower individuals from the communities who are in active recovery and spread the concepts of hope, recovery and wellness.

A Recovery Walk will be held at the end of September 2024 TBA.

Standing Rock Treatment is assisted with the Rezvolution event on September 17 & 18 at PKC
